Dear Julie:

This is in response to your letter of March 21 regarding the above referenced report.

Your letter indicates that the report shows limited payments for administrative expenses. Please be advised that all expenses are accurately and fully disclosed. Administrative Expenses for this committee consist primarily of services performed by the Committee Treasurer for accounting services and associated use of the Treasurer's office including telephone and computer for this purpose. Administrative expenses for this period were invoiced and paid in January and are reported in the February monthly report. Monthly payments for part-time employment for data entry and miscellaneous functions are reported monthly. No in-kind contributions have been made to the committee and no administrative expenses beyond those reported have been incurred. No amendment to this item is required and we will continue to fully disclose all administrative expenditures accurately on future reports.

An amendment will be filed to reflect the correct reporting line for a non-federal contribution for the Year-End report as referenced above.

Sincerely,

W. Edward Langdon  
Treasurer  
Majority in Congress PAC
